04. Career History

August 2008 – Present

Frontend Developer at TMP Worldwide, 265 Tottenham Court Rd, London W1T 7RQ

TMP is a leading digital agency in the recruitment advertising industry. During my time at TMP, I worked alongside a team of digital producers, designers, backend and flash developers where I was responsible for the frontend build of a range of digital projects for clients such as Barclays, HSBC, Npower, National Grid and BT.

URLs / Projects worked on include:

- www.tmpw.co.uk, www.nationalgridcareers.com, www.btgraduates.com, www.buildingcareerstogether.co.uk, www.npowerjobs.com

June 1999 – July 2008

Web Design Lead at AWD Moneyextra, 10 Paternoster Sq, London EC4M 7DY

Moneyextra is one of oldest established personal finance websites in the UK. Here, I lead a team of web designers and was responsible for the frontend design, build and maintenance of all websites and web based interfaces.

Main responsibilities:

- Identify business requirements and report to business owners on project progress
- Manage work flow and resource for the design team
- Mentoring of junior team members
- To provide creative and technical guidance

URLs / Projects worked on include:

- www.moneyextra.com, www.awdchasedevere.co.uk, www.bank-of-ireland.co.uk
 - Cobranding of core comparison tools for the finance channels on MSN Money, Virgin Media and Yahoo
 - Production of email and banner creative
 - Production of the Moneyextra Digital TV portal on NTL platform and WAP service
 - Select – web based employee benefits system.
-

June 1998 – June 1999

Marketing Communications Assistant, VW Eurovans, Eastbourne Rd, Westham, East Sussex

Main responsibilities:

- Designed and created the first version of the company website
- Planned and produced printed marketing materials
- Planned and implemented advertising campaigns with the Sales Manager
- Created multimedia presentations for exhibitions
- Responsible for the customer database and report generation

05. Education

September 1995 – July 1998, Solent University

BA (Hons) Product Design with Marketing (2:1)

September 1992 – July 1995, Park College, Eastbourne

Design Technology (A), Media Studies (B), General Studies (C), Psychology AS Level (C)

September 1987 – July 1992, Cavendish School, Eastbourne

8 GCSEs (incl. English, Science and Maths) Grades C and above

06. Additional Information

In my spare time I enjoy reading, camping trips around the UK, long weekend city-breaks around Europe.

I have a voluntary role as the webmaster for Wealdstone FC Youth, a local football club near where I live. I designed and built the website and make regular weekly updates. I also setup and run the various social networks associated with the club. Please visit www.wealdstonefcyouth.com
